OBJECTIVE

Final-year Computer Science student at CMRCET. Experienced in Python-based software development, with hands-on project work in computer vision, system design, and IoT. Strong foundation in problem-solving, OOP, and collaborative development.

EDUCATION

B.Tech – Computer Science & Technology | CMR College of Engineering & Technology | Hyderabad Nov 2022 – Apr 2026 GPA: 8.08 / 10.0

MPC (Intermediate) | NSV Junior College | Jagtial Jun 2020 – Mar 2022

SSC (10th) | Manasa High School | Jagtial Jun 2019 – Mar 2020

TECHNICAL SKILLS

Languages: Python, C, C++, JavaScript, SQL, Java (basics), HTML, CSS, Basics of Ui/Ux Designing

Libraries & Tools: OpenCV, Git, MySQL, VS Code, Jupyter Notebook, Arduino IDE

Platforms: Linux, Windows, Web, Arduino, Figma

PROJECTS

Campus Navigation System — Python

- Built a Python application that accepts a start point and destination on the college campus and computes the shortest route, displaying it visually on a map interface.
- Implemented pathfinding logic to guide users through the campus efficiently, reducing time spent navigating unfamiliar areas. Tested and validated across multiple source-destination combinations within the college premises.

Animal & Human Intrusion Detection System — Python, OpenCV

- Developed a real-time computer vision system using Python and OpenCV that uses camera input to detect and classify animals and humans.
- Deployed and tested on college campus, achieving reliable detection performance under varied lighting and movement conditions.

Online Library Management System — Python, MySQL

- Built a full-featured library system allowing students to search for books, borrow, and return them with automated due date tracking.
- Implemented a database backend (MySQL) to manage book inventory, student records, and borrowing history. Used as a practical tool within the college library to streamline book management operations.

VOLUNTEER EXPERIENCE

Technical Committee Member | CMRCET | Hyderabad Sep 2023 – Aug 2024

- Organized and conducted online and offline technical & soft-skills training sessions, impacting 1000+ students across the college. Coordinated logistics for workshops, managed speaker scheduling, and ensured smooth event execution.

Volunteer | Chiguru Event – Youth for Seva | Hyderabad Jan 2024

- Helped organize an event for underprivileged children, creating a platform for them to showcase their talents and build confidence.

Student Council Member | CMRCET | Hyderabad Aug 2024

- Actively representing students in college governance, facilitating communication between students and administration.

HONORS & AWARDS

- Runner-Up, Social Innovation in Practice competition – February 2024
- Participant, Inter-Department Kabaddi Tournament, CMRCET
